Carolyn,

I need the copyholders information. Attached letter that I put together with the color logo that you sent to me. You can put in the cc on the letter and send it back to me. I will print it out for Angeles' signature on Monday.

Thanks,

Frances

Frances

Here is a black and white version of letterhead I have used before for joint agency letters. If you want to get creative and make a color version here is a color logo for ADEQ that you can use to add to our color letterhead; just cut and paste the address portion from the black and white version attached.

Thanks to all for assisting in this effort.

I need to leave soon for a doctor's appointment so I won't be able to sign the letter either. I called The AF and let them know that we will be sending on Monday, 6/27 morning. When I called, I learned that Phil M is unexpectedly out of the office so we should be ok sending it Monday morning. Frances please continue to coordinate with Ray to finalize the

letter and have it ready for Tina and my signature. Please note the letter needs to include both agencies letterhead and ccs on the original letter (Carolyn D'Almeida please provide them to Frances).

Have a good wknd everyone.

Angeles

Angeles - I'm sending this from my phone because we have lost power again in Tucson. I'm sending this to my assistant as well.

Ray can you send Ms. Kwok our letterhead.

I'm good with the paragraph as you have it written.

If power is not restored soon, I may have to have someone sign on my behalf. I would suggest Wayne Miller if he is available.

Thanks,

Tina

Thanks Tina. We reworked the paragraph to include plume containment concerns. Can you please review and approve (paragraph in red).

If you agree with the new language, we can go head and finalize it. We probably want to add both agencies letter head and sign it. I am ccing Frances Knok, our branch administrative assistance to help us with the logistics. I imagine that once you sign it, you can just send us a PDF file so I can sign it and we can PDF the final letter to Phil.

Thanks.
